

Notes from the APNA meeting of April 10, 2012

Officer Rene Murillo, Community Relations Officer, answered numerous questions from the attendees. He also provided hand-outs which dealt with vehicle security and crime prevention tips, sources for obtaining crime information and also a single-family residence security survey form and reference material.

Courtney Thompson, of City Council Member Todd Gloria's office, provided the District Three Dialogue Newsletter. She stated that the proposed budget is soon to be released and that routes of input are available to the community. She also spoke of a pending fundraiser for officer Jeremy Henwood.

Linda Pennington gave a quick run-down on upcoming events including a "get-to-know" for Marti Emerald, Manzanita Canyon walks, a Swan Canyon "FaceLift" and other events which she'll announce with community e-mails. She gave an update on the Azalea Park Water Conservation Garden also. She provided exposure to the City Heights Greening Loop Trail map.

Jeff Skeith gave a quick tutorial on the subject of genetically modified organisms (food) and the issue that manufacturers should label such foods as what they are.

Felicia Shaw states that she has spoken with the engineer involved with the Neighborhood Identification Project and that the "scope of work" is to be signed soon.
