

Notes from the APNA meeting of December 13, 2011

In lieu of a regular meeting, our annual Christmas/holiday gathering was held and a good time was had by one and all.

There was one item of business conducted: Linda Pennington proposed that a \$100 donation be made to Ocean Discovery Institute in Memory of Phyllis (Wood) Rawlins. The motion was made and seconded and approved by the attending membership.

Our potluck provided a wide range of tastey items and everyone apparently got their fill. Santa paid a visit and our "white elephant" raffle was a great success. If the world doesn't end in December, 2012, we look forward to next year's gathering.
