

Notes from the Azalea Park Neighborhood Association

Meeting of May 14, 2013

From officer Rene Murillo: The Code Compliance Unit is hitting local yard sales strongly due to persons setting up the sales on public sidewalks; also, the issue that a given address is allowed only two garage sales per year.

Marisa Berumen, deputy chief of staff for City Councilmember Marti Emerald, presented that office's newsletter in which she highlighted the article on Manzanita Canyon and she announced an upcoming "speak up" on the city budget.

Michael Sprague brought to the meeting a painting of the County Administration Building likely created by an unknown local artist in years past. He suggested it as a possible gift to County Supervisor Ron Roberts from the Azalea Park Neighborhood Association. A motion was made, voted upon and passed without opposition.

Yvonne Curtis announced that there will be a meeting at her home on June 1st at 6:00PM to make plans for a contingent from our neighborhood in the Gay Pride Parade. Her address is 4155 Manzanita Drive.

Notes presented by Bob Walters, APNA Secretary
