

Notes from the Azalea Park Neighborhood Association
Meeting of 10-9-2012

Officer Rene Murillo handed out printed information for people to get help for family and health problems dealing with the homeless issue.

Carla Pisbe of Ocean Discovery Institute Science Lab invited all to a November 10th Watershed Adventures restoration project.

Deanneka Goodwin, of Susan Davis' office, presented a newsletter and introduced a bill detailed in the newsletter.

Todd Gloria addressed the meeting attendees in the final days as our district representative and stated it was an honor to represent us. He took pride in his accomplishments which included cutting the budget by millions of dollars, saving our Azalea Park "club house", obtained funding for the water conservation garden, obtained 3 CRO'S for City Heights, promoted the Azalea Park signage project (slated for accomplishment next spring).

Gabe Gutierrez, of Ron Roberts' office, referenced some initiatives for fire interventions and a county emergency APP. regarding road closures, etc. to be used during emergencies/incidents. He spoke briefly regarding a new waterfront park.;

The annual election of APNA officers was accomplished with the following results:
President--Linda Pennington, Vice-President--Lori Geisiking,
Treasurer: Mark Pennington,
Secretary--Cactus Bob Walters, Neighborhood Ambassador--Lucilla Conde.

Katt Eaton asked for recommendations for the reflection point on Poplar Street to honor a May 19th shooting victim (a tribute to Johnny Pugh). The plan is to present the idea to the design committee.
